Re: Newspapers in Education

To Whom It May Concern:

We, at the Wilson County News in Floresville, would like to share some information with your organization. Our Newspapers In Education (NIE) program is holding the eighth annual NIE Golf Tournament Saturday, April 17 at the Pleasanton Country Club in Pleasanton, Texas.

NIE is a nationwide effort begun by the National Newspaper Association to promote literacy throughout our schools. It allows teachers to work with newspapers to stir interest in today's youth by reading and studying newspapers.

Wilson County News donates over 700 papers weekly as a "living" textbook to 52 teachers in Floresville, La Vernia, Poth, Falls City, Stockdale, Nixon-Smile, and East Central independent school districts. Because the cost of donating these papers adds up very quickly, the golf tournament is the single major fundraiser for NIE. Newspapers In Education works in conjunction with the Wilson County Education Foundation as a non-profit organization.

We would like to request support from your organization in the form of a \$100 hole sponsorship. We are also in need of items for door prizes and raffle prizes, all of which make up the golf tournament.

We look forward to your support in any way you can. Thank you for your consideration of our Newspapers In Education program. For more information, visit our Web site at <http://www.wcn-online.com/nie>, or call 830-216-4519.

Sincerely,

Pam Smith
